Rick's Build 'N Fly Challenge Project

Randy ran out of trim on the maiden flight of Don's T-28. Randy also said the plane was tail heavy so Don said he would put some weight up front. Stay tuned for updates.

A winner is willing to look like a idiot for as long as it takes to get the job done.

Matt was practicing landing with several different aircraft. He was still practicing as I drove away from the flying field. Practice is what it takes to improve...there are no shortcuts.
