Rich says the glider doesn't turn that well.

Matt does a hand toss over the grass.

Rich is also good at the hand toss.

Rich takes to the air after a landing gear check.

MAYDAY!

Tyler J.

Tyler's RV-8 got stuck on full throttle with no working throttle cut. He had no choice but to fly until the battery ran down. Per his request we cleared the airspace and Tyler was able to put the RV-8 down safely in the grass.
